

Alabama High School Graduation Exam / ACT Skills Practice / EXPLORE Skills Practices Grades 8-12/AP

Web-Based Tutoring Assignment # 2

The following web-link is an **Advanced English Lesson Tutorial Site**:

<http://www.englishpage.com>. Every student/adult learner will enhance and develop their vocabulary a word usage skills. Using this web link will further provide each student opportunities to build and strengthen their oral and written communication skills.

The student will:

1. **Click** – Try our Weekly Lesson.
 - a. Follow all prompts thoroughly, you should/must write down or print all words that are given to you on each screen.
 - b. At the end of each lesson, copy or print your score and submit it to your teacher. This will be used as part of your daily participation documentation.
2. **Select** different items from the Menu Listings. Make sure you write down your selection. You will need to document your start time and your stop time for each activity. Remember to write or print your results for your activities. Points will be awarded for practice lessons.
3. **Navigate** this web link daily. Spending 30 minutes or more each day will improve the student’s use of the English Language as well as improve their reading and comprehension abilities.

Out of the 6 areas:

1. Verb Tense Tutorial
2. Conditional Tutorial
3. Gerunds and Infinitives Tutorial
4. Modal Tutorial
5. Prepositional / Phrases Verb Tutorial
6. Vocabulary Tutorial

You should visit one a day.

Enjoy your learning.
