➤ **Core Content and Chapter Resources.**

[Chapter 1 - First Degree Equations and Inequalities](#)

[Chapter 2 - Linear Relations and Functions](#)

[Chapter 3 - Systems of Equations and Inequalities](#)

[Chapter 4 - Matrices](#)

[Chapter 5 - Polynomials](#)

[Chapter 6 - Quadratic Functions and Inequalities](#)

[Chapter 7 - Polynomial Functions](#)

[Chapter 8 - Conic Sections](#)

[Chapter 9 - Rational Expressions and Equations](#)

[Chapter 10 - Exponential and Logarithmic Relations](#)

[Chapter 11 - Sequences and Series](#)

[Chapter 12 - Probability and Statistics](#)

[Chapter 13 - Trigonometric Functions](#)

[Chapter 14 - Trigonometric Graphs and Identities](#)

Please follow these exact directives in order to receive a grade for your work as with your teaching and learning needs.

1. All assignments should be written in number 2 pencils (cursive writing).
2. All assignments must be labeled with your first and last name along with the date.
3. All assignments must be kept in a 2 inch binder which will be assessed throughout the learning cycle (9-weeks) leading up to a semester.
4. All assignments must be in chronological order. The instructor will return all work that is not neat, clean, and in professional order.

➤ **Click on Self-Check Quizzes -**

- *Click on a Chapter and then a particular lesson. You should complete all of the items shown. You are to copy each problem and the answer that you selected. You are to show all work. At the end of the assessment you are to e-sign your*

work; e-mail it to yourself and your instructor. You are to print your results and stable them to your hand-written problems w/answers. Submit this information to your instructor by way of your portfolio.

➤ **Click on Chapter Test –**

- *Click on a Chapter and then a particular lesson. You should complete all of the items shown. You are to copy each problem and the answer that you selected. You are to show all work. At the end of the assessment you are to e-sign your work; e-mail it to yourself and your instructor. You are to print your results and stable them to your hand-written problems w/answers. Submit this information to your instructor by way of your portfolio.*

➤ **Click on Standardized Test Practice –**

- *Click on a Chapter and then a particular lesson. You should complete all of the items shown. You are to copy each problem and the answer that you selected. You are to show all work. At the end of the assessment you are to e-sign your work; e-mail it to yourself and your instructor. You are to print your results and stable them to your hand-written problems w/answers. Submit this information to your instructor by way of your portfolio.*

Make sure you e-sign your final responses and e-mail them to your instructor/facilitator:
melvinlowe@hillandloweeducationalservices.org

Make sure that you label all of your work. All of your work should be separated in your binder to reflect a different Chapter Titles. Additional assignments may be assigned at the instructor's academic freedom. Each instructor will use an Assessment Rubric to evaluate your on-line course studies. Remember you may always use your back arrow (left) to go back and review a previous page. If your computer becomes STILL, log out and re-boot.

Enjoy your learning.
